Greetings Parents & Guardians!

I am pleased to announce registration is open for Religious Education! I have included a registration form which I am requesting all existing families to fill out and return so that we may update your contact information in our new database. You may elect to send in payment with your form, or at a later date. Please note that children will never be turned away from Religious Education for lack of payment. Additionally, it is *\*never\** too late to start! Know a family member, friend or neighbor who has children – let them know! Everyone has a place in our program no matter the age!

On the registration form there are several volunteer opportunities, I ask that you consider donating your time to one or more of the opportunities listed. Our Religious Education Program is a team effort! If you have a suggestion for an event or topic or would like to implement a new component or offering – we would love to hear from you! Religious Education consists of class, Mass Attendance, Holy Week Participation, Family Events, Retreats, Take Home Project/Challenges and more! We hope each and every family will participate as often as possible! Back by popular demand, this year we will once again be offering the Childrens Liturgy of the Word (CLOW) during the Religious Education year as well.

A full schedule with meeting dates, parent meetings and more will be sent to all participants via email and posted on the website. Form and payment for students in G1-5 may be sent to St. Thomas the Apostle via mail or dropped off in the main office. You may also drop this form in the basket during mass.
